High Plains Raceway Testing Event – September 5, 2024

Load-In & Schedule

Waivers & Driver Info All participants must complete the [Max Track Time Driver Info & Electronic Waiver](#) prior to arrival. The team captain/registrant is expected to distribute this waiver to all drivers and crew.

Load-In Assisted load-in will be on Thursday, September 5th 6:30 AM-9 AM. Load-in will continue past 9 AM but will be self-directed. Max Track Time participants may park their race cars, haulers, and street vehicles in the High Plains paddock (see Facility/Paddock Maps section). Prior to load-in, teams may stage their trucks on the entry road outside the High Plains gate starting on Wednesday.

Note: WRL load in will begin at 2 PM on Thursday, September 5th. Please ensure your rig/equipment is setup in the space you intend to use during the race weekend and is not occupying additional spaces.

Load-Out All drivers/teams not competing in the WRL weekend must exit the High Plains paddock by the end of the day on Thursday, September 5th at 11:00 PM

Event Requirements

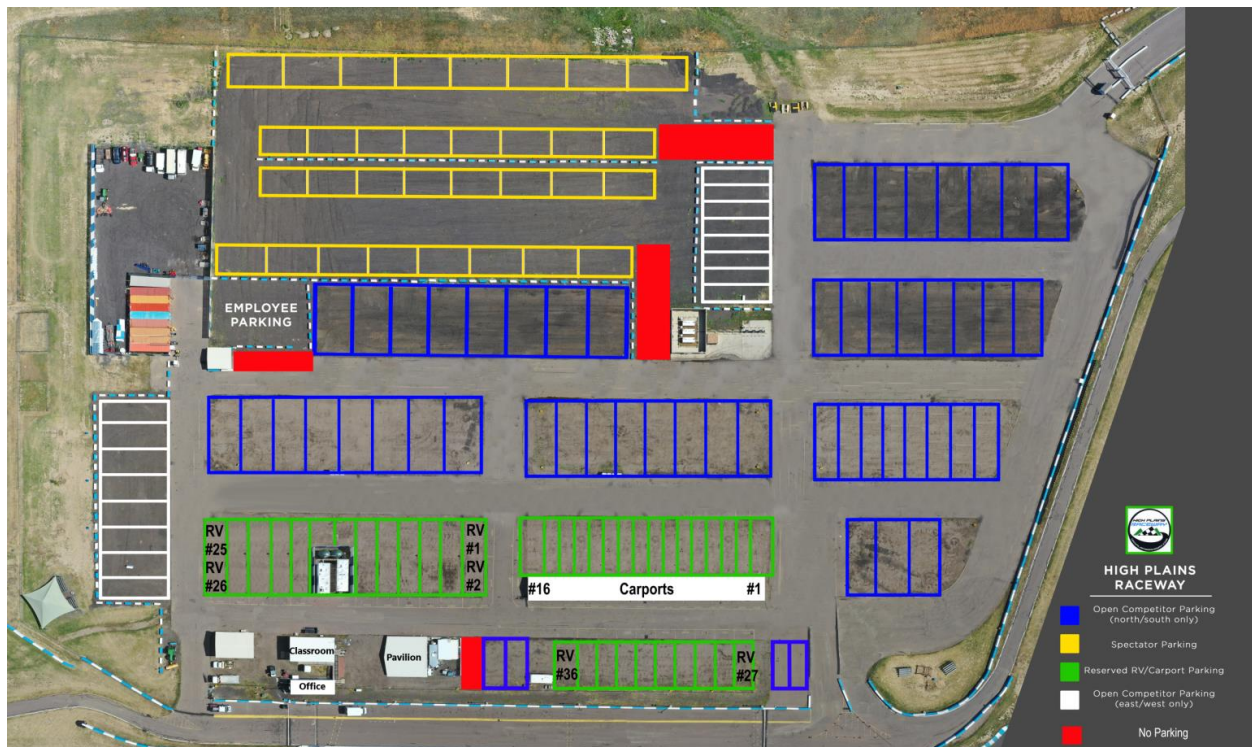

Cars Entrants are expected to prepare their car for the duties of track driving to the minimum standard outlined in our [Tech Guide](#). Should a car be suspected of not being safe for track use, the organizers reserve the right to deny track access at any point during the event. For questions about eligibility, please contact info@maxtracktime.com.

Drivers All drivers must have full racing gear including: Nomex Suit, SA2015/FIA2018 or newer Helmet, Racing Shoes, Balaclava, Nomex Socks, HANS device or comparable neck protection. Failure to have appropriate driving gear will result in denial of track access until appropriate gear is obtained.

MINOR DRIVERS Minors aged 16-17 are permitted to drive provided they have filled out our minor waiver. A legal parent or guardian must either be present, or have the waiver signed, notarized, and presented at the event for the minor to participate.

Paddock Map

For teams not competing in the WRL weekend, please park your rig in the blue sections closest to the entry gate as possible to ease the challenge of load-out.
