Event Procedures

Paddock Rules The paddock speed limit will be 15 MPH. Drivers enter the pitlane from the middle gate and exit pits from the gate at the far end of pit lane right before track entry. There will be a Max Track Time employee checking wrist bands and windshield stickers before entering the track.

Pitlane Rules Pitlane speed limit will be 35 MPH. Fueling and work on the car (tire changes/mild repairs, etc.) are allowed in pit lane. All team members over the wall during fueling must be in full fire safety gear (fire suit, balaclava, fireproof shoes, and wearing a fire-safe full face helmet.) One member of the team over the wall must be ready with a fire extinguisher aimed at the car before fueling can commence.

Flag Rules This event will follow WRL flagging rules. A brief review of the flags has been listed below for your reference.

Single Yellow Flag – No passing from horizontal plane of the displayed yellow to the horizontal plane of the next station not displaying a yellow flag. While driving past the incident/safety workers, drive at a pace where you know you have 100% control over your own vehicle.

Black Flag – Return to pit lane.

Red Flag – Come to a controlled stop off-line by the nearest manned corner station.

Meatball Flag – If leaking fluids, pull off-line and come to a controlled stop near a manned corner station.
